

## Summer Reading Agreement

Parents – Reading every day with your child will help him/her do well in school. Make a habit of reading over the summer with your child to prepare him/her for success in school next year.

Students – Summer is a great time to learn and gain brain power! **Reading** is one of the best and most important things you can do during the summer. Visit the library this summer to discover new books and fun activities!

### Student Pledge:

This summer, I, \_\_\_\_\_, will

- Read every day on my own or with my friends and family.
- Read at least five books that I think are interesting and fun.
- Try to read in new and different places, like at the park, on the bus, or at the grocery store.
- Keep track of all the minutes I spend reading on my library summer reading log.

### Parent Pledge:

This summer, I, \_\_\_\_\_, will

- Read every day with my child or have my child read to me.
- Help my child find books to read that are at his/her level.
- Read anywhere and in any language with my child. Singing a song or telling a story helps children build literacy skills, too.
- Talk about the books my child is reading. Ask questions about the story.
